Invitation for Applications for the Core Committee – Committee for Diversification of Legal Services (CDLS)

Academic Year 2026–2027

Applications are hereby invited from interested students of Government Law College, Mumbai for induction into the Core Committee of the Committee for Diversification of Legal Services (CDLS) for the Academic Year 2026–2027.

The Committee for Diversification of Legal Services (CDLS) is the College's recognized student committee committed to exploring emerging fields of law, expanding career avenues, fostering institutional engagement, and promoting multidisciplinary legal training. The committee achieves these goals through specialized conferences, lectures, workshops, corporate collaborations, and practical exposure to unconventional legal sectors.

Students possessing a keen interest in leadership, management, research, corporate relations, public policy, creative design, digital media, logistics, or alternative legal careers are highly encouraged to apply.

Application Process

Interested students shall submit their applications through the Google Form:
