## Notice

This is to inform all LLM students of Government Law College that a guest lecture on LEGAL TRANSFORMATION & ROLE OF LEGAL TECHNOLOGY FOR BUSINESS OUTPUT will be held on March 20th, 2023 from 11 A.M to 2 P.M. at College Auditorium. The lecture is being organized in association with FTI Consulting, a renowned leader in independent investigation services to the business and legal community.

FTI Consulting is an internationally recognized leader in independent investigation services to the business and legal community. They have a multidisciplinary team of specialists who undertake investigations involving corporate fraud, white-collar crime, bribery, and corruption allegations, among others. FTI has been involved in legal technology for years and has assisted clients with the transformations happening across various segments, especially concerning the Legal or Litigation landscape.

As an LLM student, it is mandatory for you to attend this guest lecture. During the session, we will be discussing topics such as:

- Legal Transformation.
- Privacy in the Indian landscape.
- Legal Tech.

This lecture will provide you with a deeper understanding of the latest developments in these fields.

We would like to emphasize that strict action will be taken against any LLM student who fails to attend the event. Therefore, all students are required to make the necessary arrangements to attend the session.

We look forward to your presence at the event.
